

# OFFICIAL MEETING #4

1/3/2022

## Minutes

### TO DO THIS WEEK:

- finish backlog
- assignment 4B
- make screens in JavaFX + connections between them
- connect endpoints to app → upload by tomorrow

ONE MERGE REQUEST  
PER WEEK AND ONE  
ISSUE EACH

### Remarks about HCI report:

- add citations
- elaborate on procedures: indiv. / in groups, etc.
- "point should be like... bcs. of this heuristic"
- explain why we don't agree on stuff
- better conclusion + include draft design + finished one

Fix code of conduct (from minutes of last week)

### Tip-Top:

- explain better every step of what we're doing at some point
  - good team spirit!!!
  - divide tasks before the meeting → time to prepare
  - be more efficient
- ↓  
videos, questions

### FRIDAY DEADLINES:

- assig. 4, upload questions to activity bank, upload final HCI Report

### TESTING:

### NEXT WEEK:

- buddy check
- unit testing: as much as we can → test after each new method
